I get the wonderFull
Feeling this is going
to progress as follows

Adam and Eve will have to battle there way through
many levels of power not airts and each will have a
similar phrase when they meet "You are now in a
locked room and only I have the key which is hidden
somewhere in my skin tight underwear if you do feed me will you earn
a skill point? 2 heads 1 either and 4 sold" well that get my blood pumping, MANTESS
